

1st October 2020

Dear Parents/Carers,

Ofsted Interim visit

As mentioned in previous correspondence the school were selected as a sample of 1200 schools across the country to host a visit by Ofsted to gather information about how schools supported children and families during Lockdown and how they are now operating following the full re-opening of the school from September. A letter will be published which I will share with you in due course. Many thanks for all your messages of support when you were informed of the visit, it is very much appreciated.

PE in Key Stage 2

On the days that children do PE, to reduce the time taken to get changed and maintain our social distancing routines we have decided that children can come to school in PE kit. With the weather changing they should come in tracksuit bottoms or leggings, a t-shirt, school jumper and trainers. Please make sure the sport kit is appropriate to come to school in and suitable for a PE lesson. Thank you.

Year 3/4 PE session- Tuesday

Year 5/6 PE session- Tuesday and Friday.

Parents' Consultations Week

During next week, you will have an opportunity to speak to your child's class teacher to discuss how your child has settled in and have a discussion about their on-going targets and progress.

Due to the current circumstances, this will be conducted by telephone.

If you require further information relating to these or any other issues please contact the school.

Thanks for your continued support

Richard Unthank
Headteacher
