8<sup>th</sup> January 2021

Dear Parents,

I would just like to thank you for all your support of the school and your child's learning this week. In school this week we have enjoyed supporting the vulnerable children and the children of critical workers whilst they have been at work.

### **Online Learning**

Following the Prime Minister's announcement at 8.00pm on Monday night, staff have worked tirelessly to begin to put live lessons and recordings in place to support the children at home as well as at the same time teach the children in school, this is not something which was part of their Teacher Training!

Please bear with us as we continue to try to master the technology as we put lessons in place. If you are struggling to access the online learning at home or have a query, please get in touch with the school office as soon as possible, as there is the expectation from the Government that the children do access their online learning on a daily basis and participation is monitored.

You should have now received a St. Peter's Virtual Communication and Remote Learning Consent Form by Parentmail to complete. I would be grateful if you could respond to this by Monday, please.

All children should have now received a Home Learning pack which contains some resources and all the usernames and passwords you need for your child to access their E-mails, TEAMS and other online platforms the school use. The older children will have a Home Learning exercise book, please encourage your child to record in it.

### **KS1&2 Children in School**

At present we are not expecting children to arrive in PE kit or bring PE kit on their designated day. KS1&2 children can just bring a pair of trainers for their sessions.

### **PE Timetable for those that need trainers**

Monday- JSB&KS1

Tuesday- Y3&4/ Y5&6

Wednesday- KS1

Thursday- Y3/4

Friday- Y3/4 & Y5/6

Thanks for your continued support, have a good weekend

Richard Unthank
