

17th September 2020

Dear Parents/Carers,

I have been delighted with the start the children have made to the new academic year particularly when things are different to normal, they have adapted brilliantly to the new routines and ways of working. There are lots of smiles on the children's faces each day which indicates to me they are enjoying life back at St. Peter's which is extremely important to us.

School Site

The one way system seems to be working well on site and I am hoping you are now becoming familiar with the new staggered drop off and pick up points and times around school. I would be grateful if you could make sure the entrance and exit gates to school remain clear and the pavements are not congested outside school therefore enabling everyone to enter and leave the site safely. Thank you.

PE/After School Clubs

Mr Ahmed and the staff have been impressed with the children's approach to PE since they have returned. Please make sure they have their kit and suitable footwear on their designated day.

It is great to see the children beginning to stay after school again enjoying the clubs we have on offer. The children are able to bring their own drinks bottle to use after school at their club, this should remain in their bag and should not be used during the school day. All children have their own water bottle in school, which is washed regularly.

Red Book Bags

We are delighted with the response so far to the sale of Red Book bags. If you would like to buy one for your child please order one at £2.00 each through parentmail, paying online or dropping the money into the office.

Parents' Consultations Week

During week beginning 5th October you will have an opportunity to speak to your child's class teacher to discuss how your child has settled in and have a discussion about their on-going targets and progress.

Due to the current circumstances, this will be conducted by telephone. Please look out for a letter from each phase team with the days and times. If the date is not suitable please get in touch with your child's class teacher to arrange a mutually more convenient day and time.

If you require further information relating to these or any other issues please contact the school.

Thanks for your continued support

Richard Unthank
