

Book Swap Day

On Thursday 6th March, (World Book Day) St Peter's held their first ever book swap. The school council organised the event which saw up to 300 books exchanged. We were delighted with the response and pleased to see so many of our pupils talking about which books they enjoy and showing their passion for reading.

As this event was so successful, we will be holding another book swap day in the summer term.

Many thanks to all who participated. Enjoy reading your new books!
