

## Christmas Shoe Boxes for the children of Romania

Before October half term Mr Roy Wheeler led an assembly describing his annual trip to Romanian Orphanages to deliver Christmas Shoe boxes to the children on behalf of the charity 'Children in Distress'. He described the area in which they lived and their reaction to receiving a Christmas present from Father Christmas. The children asked Roy many questions about his experiences.

On 15<sup>th</sup> November Roy collected 92 Christmas Shoe Boxes from the School Council. They helped him load the van, wishing him another safe journey to Romania.
