

E-Safety

On Thursday 12th September 2013, Pete Davies, the Local authority Child Protection Officer came visited school to talk to both parents and children about the dangers of using the internet. Pete began the day talking to parents before working with children throughout school from Year 1 to Year 6 during the course of the day. At the end of the school day, there was an additional opportunity for parents to receive the input from Pete. Both parent sessions were well attended, and parents' commented that they gained a great deal of information from the input recognising the importance of E-Safety in the home.

Pete working with children in Year 5 and 6:
