

Supporting our Local Food bank

The School Council have worked tirelessly to support the Redcar & Cleveland Food Bank. They promoted and held a Christmas Jumper Day on Tuesday 15th December the day the school kitchen served Christmas Dinner. Children across school were asked to donate tinned goods, cereals, biscuits, pasta, rice or UHT/powdered milk. On the final day of term the school council visited the food bank in Dormanstown with the many boxes of items and were greeted with congratulations from the volunteers including former school governor Tim Myer.
