

### **Archbishop of York Youth Trust**

Miss Hunt's class have now completed their Archbishop of York Youth Trust Award. In order to gain their certificates, the children were required to focus on several values including kindness, teamwork and leadership. This allowed the children to plan and carry out tasks which would put their skills to the test.

Some children secreted kind and supportive messages in to the trays of their peers, while others shared a new skill with a group of younger children.

Whilst completing the teamwork section of the award, the class chose to sell bags of cereal during break times, raising a total of over £50 to put towards new books for the outside reading gazebo. Upon successful completion of all tasks, the children were presented with an official certificate.
