3rd September 2020

Dear Parents,

Breakfast Club

Breakfast Club will begin this coming Monday 7th September 2020. The price of a Breakfast will be £2.00 per day. Children can be dropped off at the Sports Hall from 8.00am and the staff will take the children into class at or just before their designated starting time.

We will be spacing the children out within the Sports Hall, keeping the children within their Phase Team Bubble, therefore they will sit to eat and play together.

If you would like brothers and sisters to sit to eat and play together, please note they then cannot play with other children outside their Phase Team bubble during Breakfast Club. Please make sure your children understand this.

The school car parks are not accessible when dropping off your child unless you have a parking permit given to you by the school due to your personal requirements. In this case, please use the car park at the top of the site just beyond the double blue gates. When walking down, please access the site using the single gate above the Sports Hall and walk down to the left of the silver railings past Nursery. Please do not walk through the car park as staff will be beginning to arrive.

On arrival the children will need to go to the toilet to wash their hands.

You do not normally have to book a place at Breakfast Club each day however in preparation for re-opening next week could you let us know which days you require support for your child. Your child will automatically receive a place.

Thanks for your continued support

Mr R. Unthank
