

Diabetes UK Award for St. Peter's

After hard work from the staff and children from St Peter's C of E Primary, we were thrilled to receive the Good Care Award for type 1 Diabetes Care in school. Paula Maddison-Green, a representative from Diabetes UK came into school on Friday 28th of April to lead a presentation and to hand over a trophy and certificate. Madison Quinn, aged 8 who has type 1 Diabetes received the award in a full school assembly. The children from drama club then performed a song which had been written by Miss Hardy and Madison's mum, Hayley Quinn, to the tune of Justin Timberlake's 'Cant stop the feeling'. This explained what a day is like living with diabetes.
