

## St Peter's Day 2020

The sun still shone this year on St Peter's day but unfortunately that was the only part of our traditional celebrations that remained the same.

Due to Covid-19, our St Peter's Day celebrations had to be a little different this year and so we held a 'virtual St Peter's day' for our families and the local community. This involved resources being sent home for children to explore Bible stories about St Peter and to deepen their understanding of the teachings that our school is rooted in. We also sent home songs and prayers for the children to take part in their own periods of worship at home.

We used videos on our school Facebook page to bring the celebrations to our St Peter's family in the comfort of their own home. Year 6 children read from the Bible and Summer sang the Cares Chorus for us beautifully. We also saw lovely videos of Nursery and Year 1 singing and acting out the song Peter, James and John in a sailboat and a fun tribute to St Peter's day from Mr Ormerod.

Although it was a little different, we still were able to join together, even from a far, to celebrate and share our talents, keeping up the traditions that are so important to everyone at St Peter's primary school.

## Museum of Kindness

St Peter's children were delighted to take part in 'The Museum of Kindness', which was organised by the local museums. The children thought about kindness and what it meant to them. They then discussed how they had shown kindness during 'Lockdown' and captured that moment in a picture. We had so many wonderful drawings and photographs which were then displayed on an online 'virtual' museum. Here are a few of the wonderful entries.

## Year 6 Leaver's Service

Due to the Covid 19 crisis, the Year 6 Leaver's Service looked slightly different this year, it was held outside at school, socially distanced. Father Jonathan joined us to offer some wise words and a blessing to the children on a glorious morning on the last day of term. The Year 6 children that had returned to school gave an excellent presentation based upon the Dr Suess poem 'Oh the places you'll go' describing the journey of life and its challenges which relates to the resilience and positive mindset we promote in school. We were delighted to also present the Citizen of the Year award which was hard to pick again this year as we had an outstanding group of year 6 children once again. After much debate by staff we announced Willow Leahy as our winner!

Best wishes
