Dear Parents/Carers,

### **Covid-19 Update**

Following the Prime Minister's announcement last night and the updated guidance from the DFE, it is with great regret that the schools within the Trust are unable to welcome parents to join us for events onsite before the end of term. I am really sorry to have to give you this news, we do enjoy welcoming you to join in with our special occasions and hope we can do so again very soon.

In comparison to this time last year, we are pleased that we are able to hold activities for our children as they remain in their bubbles and we will do our utmost to share these events with you through posts on our Facebook pages.

I would appreciate your continued support of our current Covid-19 procedures which have to remain in place, including the continuation in the wearing of face masks onsite and the one-way route around school.

Here is the current list of dates of activities which will take place for the children before the end of the summer term.

### **Suncream and Sunhats**

I would be grateful if you could send your child to school with a sunhat and apply sun cream on a morning particularly on hot days and with the outdoor events coming up. We will help children apply cream if they bring it to school but if you don't want us to apply it for them, please speak to member of staff.

### **Professional Development Days**

As mentioned in previous correspondence, please note the final three Professional Development Days for this academic year will be on **Monday 5<sup>th</sup> July**, Monday 19<sup>th</sup> July and Tuesday 20<sup>th</sup> July 2021.

Thanks for your continued support,

Richard Unthank- Head Teacher
