

29th June 2021

Dear Parents/Carers,

Transition Update

Following the Government announcement on Monday 14th June communicating that the lifting of restrictions has been delayed until at least 19th July, the Local Authority has made the decision for Year 6 transition Week to take place virtually in the children's current primary schools.

With the guidance from the Department for Education stipulating existing bubbles should remain in place, this changes our plans for transition too for Nursery to Year 5 pupils. The children will therefore still meet their new class teacher during w.b. 12th July 2021 to access some outside learning activities but will be with children from their current bubble who will be in the same class next year.

Here is the current list of dates of activities which will take place for the children before the end of the summer term.

You are welcome to speak to your child's old teacher about their report and their new teacher if required. Teachers will be available from 3.05- 5.00pm. Please contact the school office to arrange a telephone appointment, due to the current Covid 19 restrictions. Thank you.

The first Professional Development Day of the new Academic year will be on Wednesday 1st September 2021. The children will return following the summer break on Thursday 2nd September 2021.
