

4<sup>th</sup> March 2021

Dear Parents,

### Face Coverings

As part of our Risk Assessment following new Government Guidance, staff using corridors and open areas in school that are outside the classroom will wear a face mask from Monday 8<sup>th</sup> March. I have mentioned this to the children in Virtual Phase Team Worship this week but I would be grateful if you could mention to your child again before their return. Thank you.

Just a reminder, we will continue with our one way route around school and to reduce congestion, we will use the staggered drop off and pick up times in the table below. The children will revert back to their normal entry and exits points to their classrooms, please follow the signs.
