4<sup>th</sup> May 2021

Dear Parents/Carers,

### **Medical Appointments**

I am sure you will agree, it is important that the children have full and regular access to all curriculum subjects throughout the day to support their on-going learning development. Therefore, wherever possible, I would be grateful if you could try to book medical appointments for your child after school. Thank you.

### **School Car Parks**

For Health and Safety reasons parents are unable to use the school car parks to drop off and pick up their children, this also applies to Breakfast Club, Nursery and After School Clubs. The only parents who are able to drop off or collect their children should be those who have been granted access for disability reasons and have a parking permit. Please could you encourage your child to stay to the path to the left of the silver hand rails and not cross the car park when they walk down towards the Sports Hall. Please also ask your child to dismount at the gate and push their bike or scooter down the same route to the cycle shelter. Thank you.

### **School Events during the Summer Term**

We are awaiting further guidance from the Department of Education on which school events can take place on the school site before the end of the summer term. As soon as we have received further details, I will inform you.

### **Professional Development Days**

As mentioned in previous correspondence, please note the final three Professional Development Days for this academic year will on Monday 5<sup>th</sup> July, Monday 19<sup>th</sup> July and Tuesday 20<sup>th</sup> July 2021.

Thanks for your continued support,

Richard Unthank  
Head Teacher
