

9<sup>th</sup> September 2020

Dear Parents,

I would like to thank you for all the support you have given the staff and myself during the full re-opening of school. I have been pleased with how it has gone so far and hope your child has returned home happy each day. As I am sure you will agree, we must all continue to follow the social distancing rules and remain vigilant to prevent the spread of the virus.

Now we are beginning to get familiar with the new routines and one way route around school we have decided to reduce the staggered times slightly so parents and children aren't waiting around too long at the beginning and end of each day for older and younger siblings as the weather begins to change.

Below are the new times for when your child moves up to their new year group, on this coming Monday 14<sup>th</sup> September. I would be grateful you could adhere to these times not arriving too early or late so parents and children can enter and leave the site without heavy congestion and remain safe.

**Times from Monday 14<sup>th</sup> September 2020**

Phase	Drop off times	Collection times
