K2AO have had their visit to Danby on Monday, The Ark and JSB are yet to confirm a visit but as soon as we get information on this we will let parents know.

School Car Parks

For Health and Safety reasons parents and carers are unable to use the school car parks to drop off and pick up their children, this also applies to Breakfast Club, Nursery and After School Clubs. The only parents who are able to drop off or collect their children should be those who have been granted access for disability reasons and have a parking permit.

Bicycles and Scooters

Unfortunately, due to the current one-way system around school, children are unable to come on bicycles. We will still allow children to come on scooters if they stay to the path to the left of the silver hand rails and not cross the car park when they walk down towards the Sports Hall. They must always dismount at the gate and push their scooter down the same route to the cycle shelter and not ride it. I would be grateful if you could remind your child to do this. Thank you.

Spare Sports Footwear

We would be grateful to receive any used trainers or football boots to use during PE and after school clubs. Thank you

Professional Development Days

As mentioned in previous correspondence, please note the final three Professional Development Days for this academic year will on Monday 5th July, Monday 19th July and Tuesday 20th July 2021.

The school will close for half term on Friday 28th May, re-opening on Monday 7th June 2021.

Thanks for your continued support,

Richard Unthank
