

Easter Holiday Activity Programme

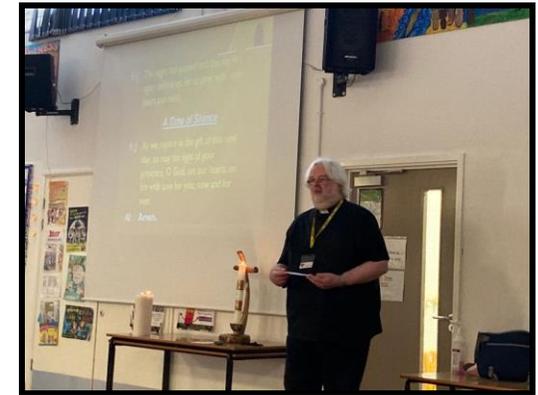

We were delighted to be successful with an application to the Local Authority for funding to offer our children activities at St. Peter's during the Easter holidays. Using the extensive facilities onsite including our Space for Sports & Arts Hall, the children were invited to participate in a morning of Sporting activities to support their ongoing Physical and Social Development and an afternoon of Art and Drama based workshops to support the development of their creative skills and mental well-being. These were delivered by Mr Ormerod and Mrs Hayden. The children thoroughly enjoyed the activities following Lockdown and we hope we are able to offer more free holidays clubs in the future for our children.

Phase Team Worship

Following the Easter break, we were delighted to begin Phase Team Worship in our bubbles back in the Main school hall. Father Jonathan, the teachers and I have missed leading Worship in the hall over the past year and the children have too! It was great to see the hands go up from the children to answer questions and offer their opinions which is not so easy using Zoom!

Father Jonathan focusses upon the Gospel reading from the previous Sunday and the staff and I lead worship based upon one of the 18 Christian values which this term has been Service. This was especially poignant with the recent death of HRH Prince Philip, the Duke of Edinburgh which a whole school worship had a focus upon.

Offsite visits return

Teachers are currently planning offsite visits for the children following the Lockdown, they have certainly been missed by children and staff alike. The Junior Support Base have already been out learning road safety. They have learnt how to use a pedestrian crossing, finding the toggle underneath the button for our visually impaired children. The children are able to find safe places to cross and have developed independence and confidence.

Best wishes, take care everyone,
Richard Unthank,
Head Teacher,
St. Peter's C of E Primary School
