

Supporting our Local Food bank

The staff and children from St. Peter's made a recent donation to the Redcar Area Foodbank. Food was brought in by staff and pupils on the school's Christmas jumper day which took place on 13th December 2018. Children brought in items such as pasta, rice, tins and UHT milk. It was then delivered by members of the School Council to the Foodbank's storage facility based in Redcar.
