Dear Parents/Carers,

I have been delighted with the start the children have made to the new academic year and its' great to get back to some sort of normality in school. There are lots of smiles on the children's faces each day which indicates to me they are enjoying life at St. Peter's which is extremely important to us.

I was pleased to hear the feedback from the instructors at the end of the Year 6 visits to St. John's in the Vale over the past two weeks. They take 22 schools on visits each year and said they were extremely impressed with the children's behaviour, manners and positive attitude towards the activities they participated in. A great way to start their final year at St. Peter's, well done!

Head lice

Head lice problems are very common. Could we please ask for your assistance by regularly checking your child's head for signs of head lice and if present, using the appropriate method of management acceptable to you and your family. If you require any support or further advice regarding head lice, please contact the school nurse on (01642) 444011.

PE/After School Clubs

Mr Ahmed and the staff have been impressed with the children's approach to PE since they have returned. Please make sure they have their kit and suitable footwear on their designated day.

It is great to see the children staying after school enjoying the clubs we have on offer. The children are able to bring their own drinks bottle to use after school at their club, this should remain in their bag and should not be used during the school day. All children have their own water bottle in school, which is washed regularly.

Parent's Consultations Week

During week beginning Monday 4th October you will have an opportunity to meet your child's class teacher to discuss how your child has settled in and have a discussion about their on-going targets and progress. You can choose to visit school or have a telephone conversation with your child's class teacher. Please look out for a letter from each phase team with the days and appointment times. If the date is not suitable please get in touch with your child's class teacher to arrange a mutually more convenient day and time.

Please note our next Professional Development Day will be on Friday 26th November 2021.

If you require further information relating to these or any other issues please contact the school.

Thanks for your continued support

Richard Unthank
