Dear Parents/Carers,

Happy New Year! I hope you have enjoyed the festive period with your family.

We are constantly trying to support your child with the improvement in their learning as well as develop their personal, social and emotional skills in the classroom, offsite and during our extensive after school club programme. I would be grateful if you could continue to make sure your child arrives at school on time, listen to your child read regularly at home and make sure homework is handed in on time so your child's class teacher can mark and discuss it with your son or daughter. Also please encourage your child to attend at least one of our free after school clubs. Thank you.
