

St. Peter's Geography Progression Map Key stage 1						
	Autumn A	Spring A	Summer A	Autumn B	Spring B	Summer B
<b>Locational Knowledge</b>	<b>Location Of Brotton</b> Know the names of the 4 countries that make up the UK and name the three main seas that surround it. Know the name of and locate the 4 capital cities of England, Wales, Scotland and N. Ireland.	<b>Great Fire of London</b> Know the names of the 4 countries that make up the UK and name the three main seas that surround it. Know the name of and locate the 4 capital cities of England, Wales, Scotland and N. Ireland.	<b>Compare Australia</b> Know the names of and locate the seven continents of the world. Know the names of and locate the five oceans of the world.	<b>Toys</b>	<b>Antarctica</b> Know the names of and locate the seven continents of the world. Know the names of and locate the five oceans of the world.	<b>Seaside Holidays</b> Know the names of the four countries that make up the UK and name the three main seas that surround it.
<b>Place Knowledge</b>	Know the main differences between city, town and village. Explain dis/advantages of living in a city or village	Know the main differences between city, town and village. Explain dis/advantages of living in a city or village (London)	Compare and contrast human and physical geography of UK and Australia Links with International school- Redlands Australia.			Know the main differences between city, town and village.
<b>Human &amp; Physical Geography</b>	Identify seasonal and daily weather patterns in the UK Use basic geographical vocabulary for physical and human features *	Identify seasonal and daily weather patterns in the UK	Use basic geographical vocabulary for physical and human features *	Identify seasonal and daily weather patterns in the UK	Know the location of hot and cold areas of the world in relation to the Equator and the North and South Poles Identify seasonal and daily weather patterns in the UK	Identify seasonal and daily weather patterns in the UK  Use basic geographical vocabulary for physical and human features *
<b>Skills &amp; Fieldwork</b>	Know their address including postcode. Use simple fieldwork and observational skills to study the geography of the school and its grounds. Use key human and physical features of the surrounding area	Use world maps, atlases and globes to identify the UK and its countries	Use world maps, atlases and globes to identify the UK and its countries as well as Australia, continents and Oceans		Use world maps, atlases and globes Use simple compass directions Use aerial photos, construct simple maps and use and construct basic symbols in a key.	Use aerial photos, construct simple maps and use and construct basic symbols in a key

\*mountain, lake, island, valley, river, cliff, forest and beach

\*city, town, village, factory, farm, house, office, port, harbour and shops

St. Peter's Geography Curriculum Map LKS2

	Autumn A	Spring A	Summer A	Autumn B	Spring B	Summer B
<b>Locational Knowledge</b>	<b>Ancient Egyptians</b> Locate the world's countries, environmental regions, key physical and human characteristics- river Nile, pyramids, capital city, surrounding countries and seas.	<b>Volcanoes</b> Locate the world's countries, using maps to focus on Europe	<b>The Stone Age</b> Name and locate countries and cities of the UK Locate Skara Brae and Stone Henge on a map.	<b>The Romans</b> Use maps to locate European countries and capital cities	<b>Anglo Saxons/Vikings</b> Name and locate counties(kingdoms) and cities of the UK Locate the world's countries, using maps to focus on Europe	<b>Rivers</b> Locate the world's countries, using maps to focus on Europe Identify the world's oceans Identify the position and significance of latitude, longitude, Equator, Hemispheres.
<b>Place Knowledge</b>				To know 5 differences between living in the UK and a Mediterranean country		
<b>Human and Physical Geography</b>	Describe and understand key aspects of rivers- River Nile: local farming, irrigation, villages	Describe and understand key aspects of volcanoes Understand how natural disasters impact on human lives.			Describe and understand key aspects of settlements and land use.	Describe and understand key aspects of rivers Human geography- the distribution of natural resources including energy.
<b>Skills and Fieldwork</b>	Use maps, atlases, globes and computer mapping to locate Egypt and its capital city.	Use maps, atlases, globes and computer mapping to locate countries and describe features studied.	Use symbols, grid references and a key on a map to build knowledge of the UK	Use maps, atlases, globes and computer mapping to locate European countries. Follow a route on a map.	Use maps, atlases, globes and computer mapping to locate countries and describe features studied.	

St. Peter's Geography Progression Map UKS2

	<b>Autumn A</b>	<b>Spring A</b>	<b>Summer A</b>	<b>Autumn B</b>	<b>Spring B</b>	<b>Summer B</b>
<b>Locational Knowledge</b>	<u><b>Ironstone Mining</b></u>	<u><b>Mayans</b></u> Locate the world's countries, using maps to focus on Europe and South America	<u><b>Rainforests</b></u> Identify the position and significance of latitude, longitude, Equator, N/S Hemispheres, tropics of Cancer and Capricorn and the Greenwich Meridian	<u><b>Mountains</b></u> Use maps to locate main mountain ranges of the world	<u><b>Ancient Greeks</b></u> Locate the worlds countries, using maps to focus on Europe	<u><b>WWII</b></u> Locate the worlds countries, using maps to focus on Europe including Russia
<b>Place Knowledge</b>		Understand the similarities and differences through the study of human and physical geography of a region of the UK and South America.			Understand the similarities and differences through the study of human and physical geography of a region of the UK and Greece	
<b>Human &amp; Physical Geography</b>	Describe and understand key aspects of mining- land use, economic activity, trade links, distribution of minerals		Describe and understand key aspects of biomes, label layers of a rainforest and know what deforestation is	Describe and understand key aspects of mountains	Describe and understand key aspects of Greece's landscape, tourism and economic activity	
<b>Skills and Fieldwork</b>	Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs and digital technologies	Use maps, atlases, globes and computer mapping to locate countries and describe features studied.	Know what most of the ordnance survey symbols stand for Know how to use six-figure grid references. Know how to use graphs to record features such as temperature and rainfall across the world.	Understand contour lines on maps.	Use maps, atlases, globes and computer mapping to locate countries and describe features studied.	Use maps, atlases and globes and digital/computer mapping to locate countries and describe features studied.
