

St. Peter's Day 2022

Even though the weather wasn't great, it didn't stop us celebrating our feast day together. As we were singing 'Our God Reigns' outside, it began to rain! Thankfully we have the Sports Hall to fall back on therefore we all moved inside to continue with the Eucharistic Service with Father Jonathan followed by the wonderful musical and dance performances from our children with the fantastic support of our staff. We were delighted to welcome Rev Adam Reed from Emmanuel Church, Saltburn to preach to the children, staff and parents. A lovely morning once again to celebrate St. Peter's Day.

Reading for Pleasure

We came together for an assembly to celebrate the joy of reading! Reading Leader Miss Chapman talked about how important it is to read and how it exercises our brains. She also explained how important it is to find something to read that you enjoy. Children from each class then talked about their favourite books that they have read in class this year and recommended them to each other. There were lots of great suggestions - from Avocado Baby to Fantastic Mr Fox, from the Lighthouse Keeper's Lunch to Stitch Head. The children enjoyed the Assembly and have some ideas about new books to read!

Saying our Goodbyes to Mrs Julia Lawson & Mrs Lisa Baker

We said thank you and farewell to Mrs Lawson and Mrs Baker at the end of term. Mrs Lawson has decided to retire to spend more time with her family after 16 successful years as a Teacher at St. Peter's which has included the school gaining Eco Green Flag status on numerous occasions as well as the school being recognised as National Ambassador for Eco Schools. She freely gave up her time to run the Flowerpots Gardening Club. We wish her a long and happy retirement. We were also sad to be saying goodbye to Teaching Assistant Mrs Baker. She is a former pupil of the school and has successfully supported the children as a Teaching Assistant since 1997 and more recently as Room Leader in St. Peter's Ark. We are delighted she has now completed her training to be a teacher and will take up a post at New Marske Primary School in September, remaining within the Galileo Trust. We thank her for all the support she has given the children and families over the years and wish her and her family all the very best for the future.

Save the date- 50th Anniversary Celebrations are now on Friday 30th September, starting with a Eucharistic Service at 10.00am at St. Margaret's Church followed by presentations in school on the afternoon.

Best wishes

Richard Unthank, Head Teacher, St. Peter's C of E Primary School
