Dear Parents,

With less than 3 weeks until we break up for half term, please can we share some dates and other important information with you.

Consents

Thank you to those who have already completed the new consent options on Arbor for photographs, visits, Internet and the Home School Agreement. If you have not done so please can you log onto Arbor using the help sheets sent last week and set your preferences. If you need any assistance completing your consents please contact the school office and they will be happy to help.

**Please note there is an option on Arbor consents labeled "Photograph Student" this is redundant and has been disabled, therefore it can be ignored.*

Class Dojo

3 of our classes are trialing the free communications app, Class Dojo which has replaced our class Facebook pages. If your child is in either Nursery, Ark, Mrs. Thompson's Class or Miss Longstaff's class, please can you sign up using the link sent out last week to join your child's class.

Health Care Plans

For those children in school with Health Care Plans, a review form was sent out via Arbor last week, please can you complete the review as soon as possible to ensure we have the most up to date information for your child in school. If you are having difficulties completing the form please contact the school office and they will be happy to help.

Headlice

We are aware that headlice are in some of our classes within school, please can we ask that you regularly check your children's hair and if headlice are discovered your child is treated. Please find below a link to the once a week take a peek website that has a useful leaflet that gives lots of useful information on how to treat headlice. oawtap-parents-leaflet.pdf
