ANTI-BULLYING POLICY

We have faith in our children

At St. Peter's C of E Primary School, we are aware that pupils may be bullied in any school or setting, and recognise that preventing, raising awareness and consistently responding to any cases of bullying should be a priority to ensure the safety and well-being of our pupils.

In line with the Equality Act 2010 it is essential that our school:

- Eliminates unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

At St. Peter's C of E Primary School, we are committed to safeguarding and promoting the welfare of pupils and young people and expect all staff and volunteers to share this commitment. Under the Children Act 1989 a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a pupil is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns to their local authority children's social care.

This policy is closely linked with our Behaviour Policy, our Child Protection Policy and the school's, Aims and Values.

Principles

It is the responsibility of the Governing Body and the Headteacher to ensure that all members of the school community work within a safe and enabling environment. We value pupils developing 'respect for others resulting from active listening, trust and honesty' (Aims and Values).

The four guiding principles of the Early Years Foundation Stage underpin our Anti-Bullying Policy from the moment a pupil enters our school, and throughout their time at St. Peter's C of E Primary School. They are:

- Every pupil is a unique pupil, who is constantly learning and can be resilient, capable, confident and self-assured;
- Pupils learn to be strong and independent through positive relationships;
- Pupils learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents and/or carers
- Pupils develop and learn in different ways and at different rates including pupils with special educational needs and disabilities.

Aims

We are determined to promote and develop a school ethos where bullying behaviour is regarded as unacceptable, to ensure a safe and secure environment is sustained for all pupils.

We aim for all pupils to reach their potential academically, socially and personally through learning and playing in a safe and secure environment.

Bullying Definition

At St. Peter's C of E Primary School, we discuss what bullying is, as well as incidents we would not describe as bullying, with all pupils through assemblies and PSHE lessons. We agree that:

- Bullying is usually physical hurting, name calling, nasty looks or leaving people out.
- Bullying usually happens when the relationship is imbalanced.
- Bullying is usually on-going.

Safeguarding issues can manifest themselves via child on child abuse. This will never be tolerated and will never be passed off as 'banter' or 'part of growing up'

This is most likely to include, but may not be limited to:

- Bullying (including cyberbullying)
- Gender based violence/sexual assaults and sexting
- Initiation / hazing type violence
- Prejudice based and discriminatory bullying including racist and homophobic behaviour.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures), ridicule, humiliation
- Verbal name-calling, sarcasm, spreading rumors, threats, teasing, making rude remarks, making fun of someone
- Physical pushing, kicking, hitting, pinching, throwing stones, biting, spitting, punching or any other forms of violence, taking or hiding someone's things
- Racist racial taunts, graffiti, gestures, making fun of culture and religion
- Sexual unwanted physical contact or sexually abusive or sexist comments
- Homophobic because of/or focusing on the issue of sexuality
- Online/cyber setting up 'hate websites', sending offensive text messages, emails and abusing the victims via their mobile phones
- Any unfavourable or negative comments, gestures or actions made to someone relating to their disability or special educational needs.

Vulnerable Groups

We recognise that some groups of pupils may be more vulnerable to bullying, including:

- Looked After Children
- Gypsy, Roma and Traveller children
- Children with Special Educational Needs or Disabilities (SEND)
- Children from ethnic minorities
- Children entitled to Free School Meals
- Children for whom English is an Additional Language
- Children who are perceived to be gay, lesbian or bisexual

Bullying Prevention

Preventing and raising awareness of bullying is an essential to keeping incidents in our school to a minimum. Through assemblies as well as PSHE lessons, pupils are given regular opportunities to discuss what bullying is, as well as incidents we would not describe as bullying, such as two friends falling out, or a one-off argument. Pupils are taught to tell an adult in school if they are concerned that someone is being bullied.

Behaviour Policy

Our Behaviour Policy includes rewards and sanctions which are used consistently, alongside positive relationships, to prevent inappropriate behaviour, and promote positive behaviour.

Responding to Bullying and Child on Child Abuse

All cases of alleged bullying should be reported to the Headteacher or senior members of staff. In any case of alleged bullying or Child on Child abuse, either the Classteacher, the Headteacher, or a senior member of staff should first establish the facts, and build an accurate picture of events over time, through speaking to the alleged perpetrator(s), victim(s) and adult witnesses, as well as parents and pupil witnesses if necessary and appropriate.

If the allegation of bullying is upheld, the Headteacher (or senior leader) should seek to use a restorative approach with the perpetrator(s) and victim(s) together. The perpetrator(s) should fully understand the consequences of their actions on the victim(s), and apologise without reservation. Both parties should be clear that a repeat of these behaviours will not be acceptable.

All bullying incidents must be recorded. Parents of both parties should be informed. If the situation does not improve, the Headteacher (or senior leader) should meet with the parent(s) of the bullying child(ren) and agree clear expectations and boundaries which would be shared with the pupils involved. Any further incidents should lead to intervention (e.g. through outside agencies), further monitoring, support and punitive sanctions as deemed necessary. Any necessary action should be taken until the bullying has stopped.

Signs of Bullying

Staff should be vigilant in looking out for signs of bullying or other child protection issues including:

- Physical: unexplained bruised, scratches, cuts, missing belongings, damaged clothes, or schoolwork, loss of appetite, stomach aches, headaches, bedwetting.
- Emotional: losing interest in school, withdrawn, secretive, unusual shows of temper, refusal to say why unhappy, high level of anxiety, mood swings, tearfulness for no reason, lack of confidence, headaches and stomach aches, signs of depression.
- Behavioural: asking to be taken to school, coming home for lunch, taking longer to get home, asks for more money, using different routes to school, 'losing' more items than usual, sudden changes in behaviour and mood, concentration difficulties, truancy.
